(Section B)  
**OFFICIAL  
POSTING  
AREAS**

CBH work sites should designate “official” posting areas (e.g., bulletin boards, wall space, etc.) that are used solely for official, work-related purposes. Postings in “official” posting areas should include required notices, program and service-related announcements, employment opportunities, and other employment-related matters.

(Section C)  
**EMPLOYEE  
POSTING  
AREAS**

CBH work sites should designate “employee” posting areas (e.g., bulletin boards, wall space, etc.), if available, for professional associations and employee general interest purposes.

1. Items posted should be restricted in size and duration of posting.
2. Items should not promote a particular political, moral, religious, personal or other opinion.
3. Items that are obscene, vulgar, offensive or inflammatory are prohibited.
4. Management reserves the right not to post and the right to remove any item that contains false, misleading or inappropriate information.

(Section D)  
**COMPLIANCE**

Staff should be assigned to monitor official and employee posting areas to ensure compliance with this policy.
